TERMS OF SALE

1. **A 10% Buyers Premium is added to all invoices.**
2. This sale is an unrestricted Public Auction and Mail Bid Sale. All bids are to be entered by lot as numbered in this catalogue. Mail bidders should feel free to bid as much as they wish knowing that we will buy the lot, if possible, below their bid. Thousands of bidders to KATEN SALES can attest to this statement.
3. We make no other charges except the actual cost of mailing, and insurance/registration. On books we charge 50¢ with added cost when a number of books are in the same lot. We use discretion and never overcharge you. Minimum charge on books is \$1.00.
4. Bidders unknown to us must send a deposit of 25% of their bids. References are useful for later bidding.
5. We reserve the right to reject any bid from any bidder when we deem a bid not made in good faith. 'Penny' bids are not entered and the minimum acceptable bid is \$3.00 with increments of 50¢.
6. Auction sales are not approval sales. By submitting your bids you agree to the Terms of Sale herewith set forth. No lot may be returned without written permission and request must be made within five days after receipt of material. No lots may be returned by floor bidders.
7. All books are as described. The actual title in a foreign language is given — the cataloguer may interpret the title which would be in parenthesis. All books are in fine condition unless otherwise mentioned; are hard bound unless pb (pamphlet binding) is mentioned; or CaC (card binding) or pc (paper covers) is mentioned.
8. We acknowledge the possibility of errors or typographical mistakes, and any errors or mistakes on our part will be corrected. Please be careful in placing your bids, as we cannot be responsible for your errors. We instituted the duplicate bid sheet 40 years ago for your protection.
9. Auction Sales for U. S. Cash Funds. Payments must be made immediately upon receipt of material or upon notification. We reserve the right to demand payment before delivery.
10. Lots delivered in the State of Maryland are subject to a 5% Sales Tax and will be added to the invoice.

The Story of the American Bank Note Co. Lot 1111

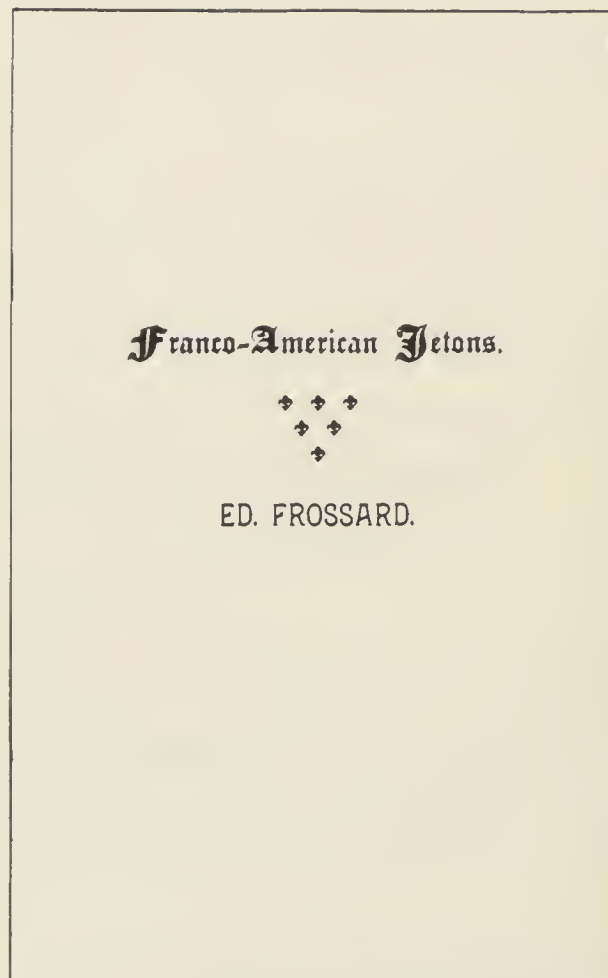

FIXED PRICE LIST

In her Preface, Dr. Kathryn Behrens says, "The study of the paper currency question has been undertaken in order to present to the reader one of the very important phases of early Maryland history. An effort has been made to show the generally sound policy of the assembly with regard to its paper issues, and to assign causes for the success or failure of each as the case may be." (a very fine book, F.J.K.)

The book has 96 pages, Bibliography and an Index, with paper covers. They are brand new copies having been wrapped by the Johns Hopkins Press back in 1923. The pages are uncut, hence all are in pristine condition.

Sales at auction have brought \$35.00 to \$40.00, generally for used copies. OUR PRICE, WHILE THEY LAST.... p.p. **20.00**

Quality Cal

Aloysius A. Norton

Here is the fascinating story of this nation's first Federal library. Established in 1802 at West Point, New York, the Library was made possible by the efforts of such men as George Washington, Alexander Hamilton, and Thomas Jefferson. From its inception by our country's founding fathers to the discord of the American Civil War to the challenge of two world wars, the Library continued to grow and change, reflecting our nation's pursuit of military excellence.

Lavishly illustrated and beautifully written, this concise book examines the art and literature found in this extraordinary collection, and discusses the dedicated men and women who set the Library's course.

NUMISMATICA MEMORABILIA

MINT OF THE UNITED STATES.

PHILADELPHIA, MAY 21, 1859.

SIR:—I desire to obtain for the Cabinet of the Mint, if practicable, one or more copies of every Medal, Medallet, Coin or Token on which the head or name of Washington appears.

The possessor of any such memorial of Washington will confer an obligation by sending me a description of it, and state whether he is willing to present it to the Mint, or dispose of it, either for cash, and if so, at what price, or exchange it for other Coins or Medals. In the course of a recent investigation I ascertained the existence of sixty different Memorials of the above character, and there are doubtless others which have escaped my notice.

A few of these medals, &c., are now in the Mint, but I desire, if possible, to supply the Cabinet with a full set of these interesting memorials of the "Father of his country." To accomplish which object I invite the co-operation of my fellow-citizens.

I am, very respectfully,

Your ob't servant,

James Ross Snowden,
Director of the Mint of the United States.
